ABOUT US:

Founded in 2006, with headquarters in Goiás and São Paulo, Intermeios is a Brazilian company owned by Indians that operates with great efficiency and competitiveness in the segment of Distribution of raw materials for the Pharmaceutical, Veterinary, Cosmetic and Food markets, throughout Latin America.

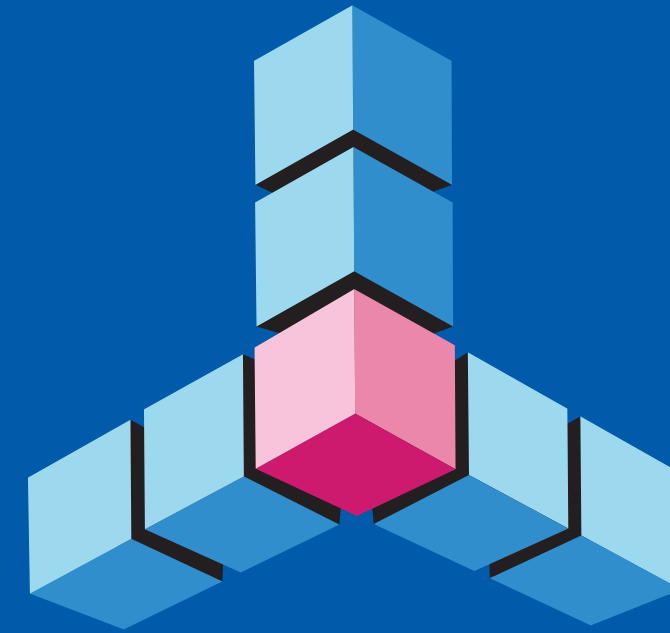

The owners have more than 30 years of expertise in the pharmaceutical segment, involved in the entire manufacturing chain from raw materials to the final product, maintaining a close relationship with the main manufacturers of raw materials in India, China and Europe, which provided that Intermeios represents them in Latin America.

Intermeios has established operations in Mexico, under the name of Intermeios México S.A de C.V, since 2018, headquartered in Mexico City, and aims to serve customers quickly and efficiently, offering products for human and veterinary use, complying with all procedures recommended by COFEPRIS and SENASICA, thus reinforcing its commitment to the Latin American market.

Intermeios has a strong and dynamic team of professionals in the areas of Sourcing, Marketing, Logistics and Customs and continuously invests in the search for competitive manufacturers with CBPF (Certificate of Good Manufacturing Practices) and all the documentation required by regulatory bodies in each country of operation. Intermeios is a company associated with ACIA (Associação Comercial e Industrial of Anápolis).
